## PRODUCT NAME

LN411

## PROTEIN NAME

Laminin-411 (LN-411)

## PRODUCT USE

Cell culture

## SYNONYMS

Laminin-8

## PRODUCT APPLICATION

Pancreatic islet culture, endothelial cells, adipocytes and epidermal cells

## EXPRESSED IN VIVO

Expressed and secreted by endothelial cells, adipocytes, lymphocytes and platelets, and muscle cells as well as pancreatic cells, salivary and gastric glands, and epidermal cells in the developing and adult human body.

## DOCUMENTS

MSDS

## STORAGE

-20°C

## STABILITY

Three years from date of receipt

## STOCK CONCENTRATION

0.1mg/ml

## USE CONCENTRATION

0.5-2 ug/cm2
Optimal concentration must be determined by the end user
